#### FACILITY

Darwin Dermatology is Darwin's premier provider of dermatology services. Dr Dev Tilakaratne established Darwin Dermatology in 2016 and since then, he and his team have been providing the highest level of care for all dermatologic conditions including acne, eczema, psoriasis, skin infections, childhood skin conditions and skin cancers. Other services provided include patch testing for skin allergies, phototherapy utilising the reputable Daavlin 3 Series Narrowband UVB Phototherapy machine, nanofractional radiofrequency treatments for acne scars and photoageing, and surgical removal of skin cancers.

## GETTING THERE

### BY TAXI (FROM DARWIN AIRPORT)

Taxis are available from the taxi rank which is located directly in front of the terminal. Taxi pricing is charged by meter; expect to pay around \$25 to \$30 for a trip between the airport and the CBD. A \$4 exit toll payable by the passenger applies on exit from the ranking lane at the airport.

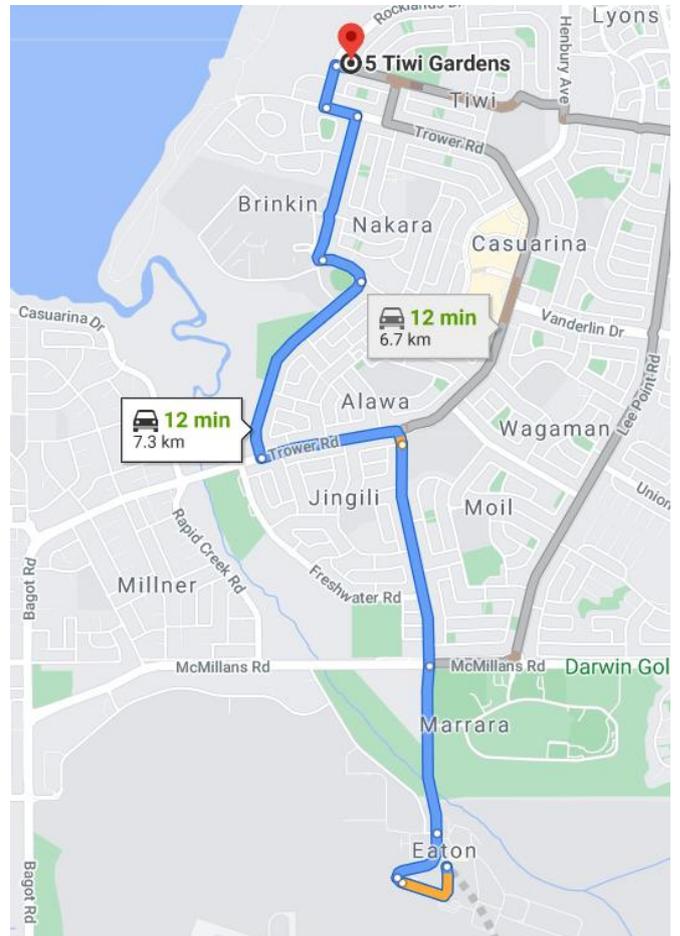

### BY CAR (FROM DARWIN AIRPORT)

When travelling from Darwin Airport (12km) take the Henry Wrigley Dr to Rothdale Rd in Marrara. From Rothdale Rd, take Trower Rd, Lakeside Dr and Ellengowan Dr to Tiwi Gardens in Tiwi. Continue to Darwin Dermatology.

For complete directions, please use [Google Maps](#).

### CAR HIRE

Pre-book your vehicle or book on arrival at Darwin Airport. The car rental counters are located at the Arrivals Hall near baggage collection on the ground floor. You can contact the companies directly for current rates.

## AT THE FACILITY

### LOCAL WEATHER

Darwin has a tropical savanna climate with distinct wet and dry seasons and the average maximum temperature is similar all year round. The dry season runs from about May to September, during which nearly every day is sunny, and afternoon relative humidity averages around 30%.

### Summer (December – February)

Hot mean temperatures between 24°C – 33°C with top temperatures in December and very high humidity. Summer is part of the wet season, with averages of 142 – 431mm monthly rainfall.

### Autumn (March – May)

Autumn is hot, with average temperatures ranging from 22°C – 33°C. The wet season continues through March and April with 101 – 312mm monthly average rainfall.

### Winter (June – August)

Winter temperatures average lows of 19°C and highs of 31°C. Winter is part of the dry season with little to no rain.

### Spring (September – November)

Spring is warm, with average temperatures from 23°C – 33°C. The wet season starts again in October and November with a mean rainfall of 70 – 142mm per month.
