

Self-recording CPD activity via Quick log

Step 1

Login to the RACGP website at <https://www.racgp.org.au/login>

Step 2

Once logged in, you'll be taken to the RACGP's Home Page.

Click on the orange MY ACCOUNT button to the top right of your screen.

Once the drop down opens, select myCPD.

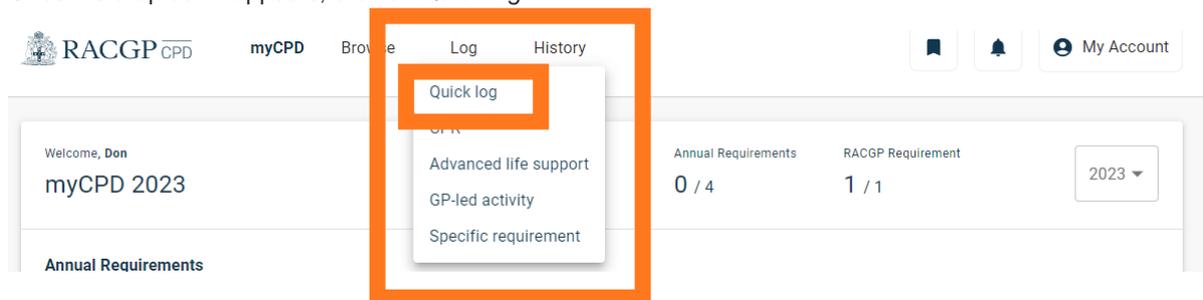

Step 3

You're now in your myCPD Home.

Click the Log button at the top of your screen.

Once the drop down appears, click on Quick log.

Step 4

Complete the form and upload supporting evidence (*uploading evidence isn't mandatory but highly recommended*).

Activity Details (Required*)

Activity title *

Activity completion date *

Type of CPD*

Log hours against any CPD types that apply to your activity. Hours will be totalled in increments of 30 minutes (0.5).

Reflection

For completeness of records, we recommend you add a reflection on this activity or upload evidence of attendance.

What did you learn? What changes would you make to your practise as a result?

Notes

Evidence

If you have evidence of participation in this activity, such as a statement of completion, a copy of session materials or your own notes, upload these here for a complete record.

UPLOAD EVIDENCE

Drag and drop or [browse files](#)

Step 5

Click *submit* to add your activity to your history.

External Provider activities will be recorded on your behalf, allow up to 30 days for the record to appear in your history.
